

## Science Notebook Expectations

1. I will think about what I already know and ask questions.
2. I will make predictions.
3. I will use my 5 senses to investigate problems.
4. I will record my observations with pictures, words and realistic details!
5. I will support my claims with evidence.
6. I will be ready to explain my thinking.
7. I will ask new questions!
8. I will be neat and do my best work.
9. One page at a time. Dot...dot...not a lot.
10. I will follow all the rules on our Science Safety Contract.
